LETTER FROM THE BOARD

Pursuant to the resolutions passed by the Shareholders on 21 January 2020, the Directors were granted (a) a general unconditional mandate to allot, issue and deal with the additional Shares in the share capital of the Company up to 20 per cent of the number of issued Shares of the Company as at the date of passing of the resolution granting the mandate (as such number of Shares may be adjusted in the event of any subdivision or consolidation of Shares after the date of the resolution); and (b) a general unconditional mandate to repurchase the Shares representing up to 10 per cent of the number of issued Shares as at the date of passing of the resolution granting the mandate (as such number of Shares may be adjusted in the event of any subdivision or consolidation of Shares after the date of the resolution); and (c) the power to extend the general unconditional mandate mentioned in (a) above by the addition to the total number of Shares which may be allotted and issued or agreed to be allotted and issued by the Directors pursuant to such general mandate of an amount representing the total number of the Shares purchased by the Company pursuant to the mandate to repurchase Shares referred to (b) above.

The above general mandates will expire at the conclusion of the Annual General Meeting.

2. ISSUE MANDATE

In order to ensure flexibility and give discretion to the Directors, in the event that it becomes desirable for the Company to issue any new Shares, approval is to be sought from the Shareholders, pursuant to the Listing Rules, for the general mandate to issue the Shares. At the Annual General Meeting, an ordinary resolution no. 5(A) will be proposed to grant the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with the additional Shares in the share capital of the Company up to 20 per cent of the number of issued Shares of the Company as at the date of passing of the resolution in relation to the Issue Mandate (subject to adjustment in case of any share consolidation or subdivision after such mandate has been approved, provided that the maximum number of new Shares that may be allotted and issued as a percentage of the total number of issued Shares at the date immediately before and after such consolidation or subdivision shall be the same).

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,018,362,000 Shares. Subject to the passing of the ordinary resolution no. 5(A) and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the Annual General Meeting, the Company will be allowed to issue a maximum of 203,672,400 Shares under the Issue Mandate. In addition, subject to a separate approval of the ordinary resolution no. 5(C), the number of Shares repurchased by the Company under ordinary resolution no. 5(B) will also be added to extend the 20 per cent limit of the Issue Mandate as mentioned in the ordinary resolution no. 5(A) provided that such additional amount shall not exceed 10 per cent of the number of issued Shares of the Company as at the date of passing the resolutions in relation to the Issue Mandate and the Repurchase Mandate (subject to adjustment in case of any share

LETTER FROM THE BOARD

consolidation or subdivision after such mandate has been approved, provided that the maximum number of Shares that may be repurchased as a percentage of the total number of issued Shares at the date immediately before and after such consolidation or subdivision shall be the same). The Directors wish to state that they have no immediate plans to issue any new Shares pursuant to the Issue Mandate.

The Issue Mandate will continue to be in force from the passing of the said resolution until whichever of the following first occurs: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association or to be held; and (iii) the revocation or variation of the authority given under such ordinary resolution by an ordinary resolution of the Shareholders in general meeting.

3. REPURCHASE MANDATE

In addition, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase on market through the Stock Exchange or on another recognised stock exchange the Shares representing up to 10 per cent of the number of issued Shares of the Company as at the date of passing of the resolution in relation to the Repurchase Mandate (subject to adjustment in case of any share consolidation or subdivision after such mandate has been approved, provided that the maximum number of Shares that may be repurchased as a percentage of the total number of issued Shares at the date immediately before and after such consolidation or subdivision shall be the same).

The Repurchase Mandate, if approved, will continue to be in force until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the revocation or variation of the authority given under the resolution by an ordinary resolution of the Shareholders of the Company in general meeting.

The Company has no current intention of exercising the Repurchase Mandate.

An explanatory statement required by the Listing Rules to be sent to the Shareholders in connection with the proposed Repurchase Mandate is set out in Appendix I to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the Annual General Meeting.

8. VOTING BY POLL

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of Shareholders at a general meeting (save for certain procedural or administrative matters) must be taken by poll. The Chairman of the Annual General Meeting shall therefore demand voting on all resolutions set out in the notice of Annual General Meeting be taken by way of poll pursuant to article 13.5 of the Articles of Association.

10. RESPONSIBILITY OF THE DIRECTORS

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,

By order of the Board

Edvantage Group Holdings Limited

Liu Yung Chau

Chairman and Executive Director

This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules to enable the Shareholders to make an informed decision on whether to vote for or against the ordinary resolutions to be proposed at the Annual General Meeting in relation to the new Repurchase Mandate.

1. LISTING RULES

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions, the most important of which are summarized below:

- (i) the shares to be repurchased by a company must be fully paid-up;
- (ii) the company has previously sent to its shareholders an explanatory statement complying with the Listing Rules; and
- (iii) all on market repurchase of shares by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the directors of the company to make such repurchase, and a copy of such resolution together with the necessary documentation have been delivered to the Stock Exchange in accordance with the Listing Rules.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,018,362,000 Shares of nominal value of US\$0.01 each. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the Annual General Meeting, the Company will be allowed to repurchase a maximum of 101,836,200 Shares which represent 10 per cent of the issued share capital of the Company as at the Latest Practicable Date (subject to adjustment in case of any share consolidation or subdivision after such mandate has been approved, provided that the maximum number of Shares of the Company that may be repurchased as a percentage of the total number of issued Shares at the date immediately before and after such consolidation or subdivision shall be the same) during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the revocation or variation of the authority given under the resolution by an ordinary resolution of the Shareholders in general meeting.

3. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Cayman Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Cayman Companies Law. The amount of premium over the par value of the Shares payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Company's Shares are repurchased in the manner provided for in the Cayman Companies Law. Repurchase of Shares will be financed by internal resources of the Company.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Repurchase Mandate was to be exercised in full, it might not have a material adverse impact on the working capital or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 August 2020, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. TAKEOVERS CODE

If as a result of a repurchase of the Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers

Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

Assuming that no further Shares will be allotted and issued or repurchased from the Latest Practicable Date, on exercise in full of the Repurchase Mandate, the number of issued Shares will decrease from 1,018,362,000 to 916,525,800.

As at the Latest Practicable Date, Mr. Liu and Ms. Chen held 754,578,500 Shares and 754,578,500 Shares respectively, representing 74.10% and 74.10% of the number of issued Shares respectively as at the Latest Practicable Date. Debo Education Investments Holdings Limited (德博教育投資控股有限公司) ("Debo"), a corporation owned as to 50% by Mr. Liu and 50% by Ms. Chen, held 750,790,000 Shares. Since Debo is directly owned by Mr. Liu as to 50% and Ms. Chen as to 50%, and Mr. Liu and Ms. Chen are spouses of each other, Mr. Liu and Ms. Chen are deemed to be interested in all the Shares held by Debo by virtue of Part XV of the SFO. Mr. Liu, Ms. Chen and Debo are presumed to be acting in concert with one another ("Concert Parties") for the purpose of the Takeovers Code and their collective shareholding amounts to 74.10% of the number of issued Shares

In the event that the Directors should exercise in full the Repurchase Mandate, the interests of the Concert Parties will be increased from approximately 74.10% to approximately 82.33% of the number of issued Shares, and such increase would not give rise to an obligation to make a mandatory general offer under the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate. The Listing Rules prohibit the Company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25 per cent (or such other prescribed minimum percentage as determined by the Stock Exchange) of the total number of issued shares of the Company would be in public hands. The Directors do not have intention to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

6. DIRECTORS, THEIR CLOSE ASSOCIATES AND THE COMPANY'S CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made reasonable enquiries, any of their close associates (as defined in the Listing Rules) has any present intention, in the event that the Repurchase Mandate is approved by Shareholders, to sell Shares to the Company. No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has any present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

7. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the proposed Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the Memorandum and Articles of Association.

8. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not purchased any shares in the six months preceding the Latest Practicable Date, whether on the Stock Exchange or otherwise.

Separately, the trustee of the share award scheme adopted by the Company on 6 June 2019 (“**Post-IPO Share Award Scheme**”), pursuant to the terms of the trust deed of the Post-IPO Share Award Scheme, purchased on the Stock Exchange a total of 1,650,000 shares of the Company at a total consideration of approximately RMB9.0 million in the six months preceding the Latest Practicable Date.

9. SHARE PRICE

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during the previous twelve months and up to the Latest Practicable date were as follows:—

	Share Price	
	Highest (HK\$)	Lowest (HK\$)
2019

2020		
January	5.300	4.190
